Find out the reasons why men hide women, and learn how you can prevent this situation from happening to you with the following dating tips!

Dating Advice That Will Help You Meet His Mom

1. **Easy.** If you haven't made a man earn your body, this will

get you added to the booty-call list. Women who give up the “goods” easily are less likely to meet mom and other family members. A man takes a woman he genuinely likes and sees a future with back home. Give a man the thrill of a chase if you want him to take you seriously.

2. Crude. Being yourself is important, but don't get too comfortable right away. Being crude, swearing and general messiness can repel a man and make him not want to introduce you to his mother. Take time to get to know him before you drop F-bombs and risqué jokes. You have no control on how these factors will be perceived.

3. Aggressive. Men don't like seeing women with bad attitudes or mean personalities. If a man wants to sleep with you, then he'll put up with the unpleasantness, but if he is looking for something serious then he won't tolerate it. Women who are “bitchy” don't get to meet mom, so be careful with this- and just be a nice person.
