This celebrity couple recently took things to the next level with a romantic getaway. What are three things to consider before vacationing with your partner?

Cupid's Advice:

It's fun to daydream about a getaway with your love (especially if it's as romantic as this celebrity vacation!), but in reality, it's important to make sure that your relationship is stable before you take it on the road. Here are three things to consider before planning a trip with your beau:

1. You're over the first date jitters: Vacationing as a couple is a serious step to take! You'll be together 24/7, so there's very little chance to make sure your lipstick is perfect and your hair is curled before he wakes up. Make sure you're ready to show your man who you are beneath your perfect facade and warm up with a few overnight sleepovers.

2. You can handle a little stress: Let's be honest: Traveling is stressful. Are you ready to see your partner in a cranky mood after a day full of delayed flights, lost luggage, and

hot airports? Similar to showing your man who you are beneath a face full of make-up, you'll also see who he is when obstacles get in his way.

3. You have similar vacation styles: Before you hop on that flight, talk to your significant other about your upcoming trip. Do you enjoy packing your itinerary full of outdoor activities, leaving little time for relaxing? Or do you tend to use your vacations as a chance to catch up on your reading list? Make sure you have similar expectations about your trip so you *both* have a good time.
