**Cupid's Advice:**

Being a parents is as much rewarding as it is draining, so it may be hard to keep the romance alive between you and your partner after you have kids. What are some ways to change this? Cupid's here to give you some love advice:

**1. Have a date night at least once a week:** It's important for you and your love to have some alone time after having kids. This doesn't make you selfish; if anything it's best for the whole family. This way you and your love will be able to relax, have a little fun, and be refreshed and ready to tackle another week with the kids.

**2. Make time every day to talk:** Having a kid makes your life hectic, especially if you have more than one. This means a majority of your time becomes devoted to taking care of your children rather than spending quality time with your significant other. Make *sure* that no matter how busy your day has been, that you and your love spend some time and talk with one another.
