

Dating Advice: What Attracts a Man?

On this week's episode of Single in Stilettos, founder and matchmaker Suzanne Oshima talks to relationship expert Cyndi Olin to offer their [dating advice](#) on how you can effectively attract a man. Find out how you can score the man of your dreams with the following dating tips!

Dating Advice That Will Help You Attract A Man!

1. Appearance. Yes, men are visual- but it's not always about how you physically look. They care about how your attitude

appears too. Men are attracted to positive energy, they want to see you smile and be happy. Nobody wants to be with someone who hates life. If you're currently working on your appearance, you should still date and attract men with your personality.

2. Happiness. This goes along with the prior tip, but to elaborate- you shouldn't stop at only appearing to be happy. It's important that you actually are. Think about how pleasant you are when you're on a first date trying to make a good first impression. You need to carry this attitude into a relationship instead of getting comfortable and complaining all the time.

3. Authenticity. Be who you are. The right people will be attracted to your authentic self. For this to happen, you need to know who you really are, your likes, dislikes and so much more. If you're faking what you want, you'll attract the wrong man. So save yourself and potential suitors time and be real. You'll be surprised at how many men will like what you have to offer.
