2017 has been chock-full of out-of-the-box [beauty trends](#). From lollipop lips to feathered eye brows, it's safe to say we haven't seen the last of these innovative trends. Which is why we're not surprised that the latest beauty movement is anything but ordinary – did anybody say “glitter”?

Cupid's here to tell you all about the latest beauty trend hitting Hollywood: Glitter Cuticles

Yes, glitter cuticles are a thing and they're taking the

internet by storm. Harpersbazaar.com got an inside look at the newest nail movement as it was making its debut at the Spring 2017 Rodarte Show from its creator – manicurist Tracylee. The nail enthusiast said, “I was inspired by the collection. The designers love to mix textures, so we brought that to the nail. It creates a kind of jewelry effect on the nails, I always try to do something edgy for Rodarte; something that hasn’t been seen before.”

The manicurist polished her models with a soft pink nail, finishing them off with silver glitter polish on the cuticles to give the nails that extra shine. Everyone is hopping on board with this glitter obsession and we couldn’t be more psyched! This trend is perfect for those who have a hard time “staying within the lines” when it comes to painting your own nails. Just paint some glitter over your cuticles and voila! A perfect coat.

Unfortunately, cuticles are known to be fairly dry which makes removing the glitter polish from your fingers a bit of a struggle. A [beauty tip](#) to avoid this is to either use glitter eyeliner or glitter flakes when spicing up your cuticle life. They come right off. We’re sure to see many more glitter trends to come throughout the Spring and Summer seasons and we can’t wait. But for now, we’ll try our hand at this new cuticle movement!
