Cupid's Advice:

When it comes to dating someone new, there are tons of fun new ways to get to know that special someone. Here are Cupid's top three suggestions on how to break the ice and heat things up with your new boo:

1. Go on a daring date: Dinner and a movie is great, but why not try something more exciting? Step out of your comfort zones together and try something a little more uncommon. Go to an improv class together, try rock climbing or horseback riding or even fall for one another as you jump from a plane in a sensational skydiving experience! Putting yourselves out there together will bond you more quickly and give you a great story to talk about among yourselves and with others.

2. Try a brand new food: If you're looking for something memorable that comes with less of an adrenaline rush, why not go for a fantastic foodie experience? Visit a new restaurant with your partner or try a type of cuisine neither of you have ever tasted. Feeling spicy? Order something hot! Feeling cool and calm? Take a sip from a refreshing drink you've never tried. For an added bonus to your experience, search for a restaurant that has a unique ambience that neither of you are familiar with, so you can experience the new environment together!

Swap playlists and favorite books, and take turns hosting movie and TV nights to enjoy each other's favorites. It's a fun a way to enjoy one another's company, learn about each other's tastes and have a low-key date night.
