Cupid's Advice:

Marriage is a wonderful thing, but it's not for everyone. If your significant other proposes to you, don't say yes just because you feel like you *have* to. There are many factors that go into whether you're ready for marriage or not. So, what may lead to a rejection? Cupid's here to help with some [relationship advice](#):

1. You've been questioning the relationship: You have to be fully committed to your relationship if you're even *thinking* about marriage. If you've been back and forth about how you feel about the person you're with, marriage is definitely not in the books for you two.

If your significant other is only proposing to you because they messed up it's not a true proposal. It's just an easy fix.
