Fall is creeping upon us! While that means shorter days and lower temperatures, it also means that nature's most vibrant show is about to begin. Fall showcases the change of leaves from rich, summer green to all the reds, yellows, and oranges of autumn.

It's the perfect time to take a walk with that special someone, or

even pack up and take a weekend away with nature. So get out there and enjoy the show with this date idea!

For a simple [date idea](#), pack a picnic lunch and head to an arboretum or your closest national park. Often times these parks have events surrounding the coming of fall. Even without these festivities, parks are a great place to relax with a loved one.
