

Dating Advice: How to Manifest Your Man (A Man's Perspective)

On this week's episode of Single in Stilettos, founder and matchmaker Suzanne Oshima talks to relationship expert PJ Dixon to offer their [dating advice](#) on how to manifest a man's potential. Learn how you can find yourself with a lifelong partner with the following dating tips!

Dating Advice On Getting The Most Out Of Your Man

1. Identify your best qualities. First and foremost, you need to be confident and comfortable in your own skin before you pursue a relationship. When you're in touch with your best qualities, you put your foot forward with a smile on your face. This way you'll attract the right man and be able to recognize the traits you want them to have in common with you.

2. Identify your 'two top threes.' Make a list of your absolute "must have" qualities, and another list of the things you won't ever accept. Each list should be narrowed down to the three most important traits you're looking for in a mate. Try to center your lists around aspects that move you emotionally, rather than the superficial: "I want someone tall, dark and handsome."

3. Identify your areas of improvement. Take time to critique yourself and find traits that can make you a better match for your partner. It's easy to name all the qualities you want in a man, but it can be difficult to admit you're lacking in an aspect of your relationship. If your man has an interest you're not involved in, make an effort to connect with him. If you have jealousy or trust issues, find ways to healthily cope. Become the ideal woman for your man!
