# **date idea? Try these wonderful ways to get in touch with your spooky side!**

**1. Visit a psychic, and see what your future holds:** This can be fun with friends or a date, and even if you don't believe in hocus pocus, you can still get a laugh. Try giving false signals or even just maintaining a serious face throughout the reading, as many fake psychics play off of your body language and reactions. See if you have the real deal in your presence.

**2. Get your tarot cards read:** This is an ancient art, and can be done for couples as well as singles. See where your expectations lie, according to the cards. Maybe you'll find out a fling might be more than that very soon. Even palm readers can be a hoot! Again, if you believe in this sort of thing, then this date is obviously right up your alley, but it's still fun even if you're not a true believer.

**3. Watch a scary flick:** Finish the night off by heading home to watch *Ghost*, a classic romantic movie filled with supernatural influences. More into the undead than ghostly figures? Try *Warm Bodies*, a film that combines a cute and quirky love story with plenty of gory and spooky zombie action.
