### **Cupid’s Advice:**

Strong relationships don’t always come easy, and you have to make an effort to make your partnership last. Here are three ways to work on your relationship on a daily basis:

**1. Communicate:** Communication is important in every relationship. No matter how busy or stressful your day is, make sure to sit down with your partner and free yourselves for any distractions, like television or cell phones. Spend some quality time together and talk about how you’re feeling, what you’re working on, etc.
