## Dating Advice That Will Reveal What Men Really Want

1. **Want a safe harbor.** Living in the world can be tough. It

can be competitive and stressful. This is what makes men want security in a relationship. More than anything else, a man wants to be nurtured and taken care of physically and emotionally. So give your man the same love you want to feel.

**2. Show him acceptance.** A man doesn't want to be criticized all the time and feel like he's not enough for you. Constant nagging and asking for change is a form of rejection. So make sure your words are constructive, and let your man know you appreciate him for the person that he is, flaws and all.
