

# Date Idea: Stay Indoors

By [Marissa Donovan](#)

We've all had one of those days where we just want to stay home and do absolutely nothing. Of course you've been looking forward to going on that special date with your significant other, but after a stressful week, you'd rather stay indoors and just relax. Well, why not do both?

## Experience a fun night indoors with your partner!

Invite your significant other over your house and spend time together there. Spend the night playing card games or play video games. To make things interesting, create your own

rules. Come up with penalties for the loser and prizes for the winner. Show off your competitive side!

If you run out of games to play, take out a puzzle you've never been able to complete. Sit down with some coffee and sweets as both of you attempt to put the pieces together. There are also puzzle apps you can download on your phone in case you don't own one to solve together.
