1. Sun-Kissed Freckles: This soft look has also been a favorite among the stars. [Emma Stone](#) and Emma Watson have been setting this [celebrity trend](#) at Hollywood events. For achieving this look, use a brown felt tip eyeliner pen and gently tap the pen on the bridge of your nose. Gradually continue making freckles by tapping under your eyes and above your cheeks. Finish the look by using a light bronzer and make-up powder brush. This will blend the brown pigments together creating a tan freckled look!

2. Full faced freckles: This look is made for those desiring the full effect. Grab a brown root cover spray and a paper towel for testing. Practice lightly spraying the root spray on a paper towel before applying to your face. Be careful with this step because spraying too quickly will cause a mess all over your face. When you're ready, tilt your head back and spray on the desired areas you wish to have freckles.
