Cupid's Advice:

It's hard to keep the peace when you have a bad history with someone's ex or current partner. Here are some tactics you can use for less drama:

1. Have an understand and positive mindset: Paranoia and jealousy often happen if a relationship didn't begin on good terms. Try understanding where the other person is coming from and set the tone. If the other person is making cruel remarks then try being the bigger person. If you are talking badly about the other person then stop and reflect on how this will only make things worse.
