Cupid's Advice:

This celebrity couple is already preparing for their second child. Sometimes it can be tough deciding when you and your partner would like to bring another child into the world, but Cupid has some advice:

1. Things are under control: Already having one baby in the house can be chaotic, so making sure you and your significant other are managing is super important. If the two of you feel that you are handling the stress with ease, then it may be time to prepare for a second child.

2. Look at your financial situation: What's more expensive than having one child? Having two children!
