There may be a new celebrity couple in Hollywood! What are some ways to know you're ready to move on from your ex?

Cupid's Advice:

Like Brad Pitt, ending a relationship that has lasted many years can be deviating. Eventually you will be prepared to get back in the dating scene. Here are some ways to know you're ready:

1. You're okay being single: Rushing into a new relationship is never a good idea and it's a sign that you're not over your heartache. Knowing that it's okay to be single is the best mindset to have when casually dating. This will make you feel optimistic instead of hurt when a first date doesn't go well.

2. There's no fake closure: Sometimes putting on a fake smile after a break-up can be a defense mechanism for the pain you're still experiencing. Having real closure is the sense that you understand and accept that you and your ex partner need to see other people.

3. You don't check your phone: There used to be an urgency to check your phone while you were in a relationship, but now you put it on silent more often. If you catch yourself enjoying the moment you're in instead of worrying about what your ex partner wants, then you're totally available to see other people!
