Cupid's Advice:

Reflecting on a past relationship is something you may catch yourself doing when thinking about an ex. Here are some ways to know it's best to return to an old relationship:

1. You're already dating other people: If you are already dating or have a connection with someone else, there's no need to go back to your ex. There's plenty of other people you could be having a fresh start with! Returning to an ex will only waste your time in the long run.

2. You can remember the bad times: Like Tyga, if you can remember when things were really bad, you can imagine your life becoming bad again. If a relationship felt toxic or made you feel unhappy, a reunion has no guarantee on making things better.

3. You haven't spoken since the break-up: Sometimes break-ups can keep things silent between you and your ex. You could also be on speaking terms as well. If you have not had a full conversation with each other, then is a good way of knowing you and your ex have no desire to return to the past.
