

Dating Advice: The 5 Stages of Love and Why Many Stop at Stage 3

On this week's episode of Single in Stilettos, founder and matchmaker Suzanne Oshima talks to relationship expert Dr. Jed Diamond to offer their best [dating advice](#) on how to navigate through the stages of love. Find out how you can reach marriage without losing the spark with the following dating tips!

Dating advice on the stages of

Love!

1. Falling in love. This is the stage when couples are hopelessly devoted to one another. Everything is new, exciting and passionate. Your heart will ache for your partner in a way that only new love can provide. Since this is the beginning of the relationship, there isn't much pain or history that 's wedged between you.

3. Disillusionment. This can happen at any time, and many couples don't make it through this stage, but stage three is a time of doubt. You'll find yourself incompatible with your partner and questioning whether you made the right choice. However, this disillusionment is a sign of a healthy relationship. It means you really see your partner for who they really are and heal emotional wounds.
