She is currently dating supermodel Stella Maxwell and seems to be very happy!

In recent [celebrity news](#), [Kristen Stewart](#) talks about her love life and shares that she enjoys dating new people. What are some benefits of not having a type while dating?

Cupid's Advice:

It's always nice to branch out from your ideal type of partner. You may be hesitant at first, but there are many perks that come from dating outside of your type! Here are a few benefits of not having a type while dating:

1. You can rediscover what you want: Like Kristen Stewart's metaphor, you can try something new in your life when it comes to love. You can try dating someone of the same or opposite gender, or just date someone with a different personality. Giving yourself a new perspective while finding love may allow you to rediscover a part of yourself that you didn't see before!

2. There's no pressure to rush into anything: Since you are trying to date new people, there's no hurry to jump into anything super serious. Most importantly, the style of dating you want out of your love life is up to you. You could start looking for something serious or casual, but always let the person you are with know what mindset you have going into the date or relationship.
