Relationships in *Bachelor* world always seem to move a little fast. If you and your sweetheart are deciding whether or not it's the right time to have kids, check out this advice from Cupid:

1. Look at your financial situation: As much happiness as babies bring, they're also super expensive! Before deciding that it's time to bring a child into the world, it's important to look at your financial situation to make sure you can completely support the baby. Between diapers, formula, and clothes, money can quickly become an on-going issue.

2. How's your relationship?: Most importantly, you need to look at the relationship you have with your significant other. If you have been consistently dating for a long period of time, see a future with one another, and are both excited to get started, then maybe it's time! It all depends on where you

two are at.
