Cupid's Advice:

New relationships are always fun, but taking the next step to a more serious stage is important. If you and your partner are on the same page as Meghan Markle and Prince Harry, head below to check out some of Cupid's advice:

1. Future plans: Before taking the next step in your relationship, it's important to reflect on whether or not you see a future with this person. If you do, then it's definitely a good sign, and a way you know it's time to move forward in your relationship. However, if you don't see the relationship lasting much longer, then maybe it would be better to keep things casual.

2. Are you personally ready?: Although relationships take two people to function, it's also of importance to figure out if you are personally in the right place to take the next step. If you're not in a decent enough mental or emotional state, then it might be best to take some time to work on yourself before moving forward in the relationship.

3. How long have you been together?: Though the length of a relationship doesn't always mean everything, it's important to

know that it's always better when you two have been together for a decent amount of time. Relationships that stand the test of time are more likely to stay together longer, therefore it'll be better to decide when to take the next step.
