Adam Levine and Behati Prinsloo will have their hands full with two celebrity babies. What are three tips to help parents handle young children so close in age?

Cupid's Advice:

This couple is soon going to be welcoming their second celebrity baby into the world. While it's an exciting time, it can also be super stressful. Check out these tips if you're nervous about having young children so close in age:

- 1. Remember the benefits:** When you start to get overwhelmed, try your best to remember all of the positives of having two

kids close in age. Your kids will most likely be close in terms of their relationship; you'll be able to use hand-me-downs from your first child; and they will be able to do activities together when they're older. Try to be thankful that they'll have a good sibling dynamic!

2. Hand-me-downs are all the rage: If you saved your first child's clothes and you're expecting another baby of the same sex, this is the perfect opportunity to break them out and put them to use again. You can reuse baby clothes, towels, toys, and more for the new baby to-be. It will save you a ton of money in the long run. Plus, it'll be cute to compare pictures of both kids in the same outfits or playing with the same toys.

3. Use the same discipline style: If you're concerned about disciplining them, never fear: Since your kids will be super close in age, you will be able to use the same discipline style for both of them. And hopefully, they'll learn good behavior from one another!
