Cupid's Advice:

Splits can get messy and difficult, but Anna Faris seems to be handling hers quite well. If you find yourself struggling to stay strong during a break-up, check out Cupid's tips:

1. Try to make it positive: We know it's easier said than done, but try looking at the break-up in the most positive way possible. Even though it can be *super* sucky, remind yourself that relationships tend to be learning experiences. Sometimes they don't work out or you two aren't meant to be, and that's totally okay. Commend yourself for getting this far and keep it moving.

2. Stay civil: Instead of bad-mouthing your ex and possibly starting drama regarding the former relationship, try your best to stay civil with them.
