This celebrity baby has a memorable

name – Gunner Stone. What are some ways to compromise with your partner on baby names?

Cupid's Advice:

Heidi and Spencer are definitely some of the most eccentric celebrities in Hollywood, and their baby's unique name shows that. If you and your partner are expecting a baby and are dealing with the classic name debate, check out some of Cupid's advice below:

1. Be open-minded: If you and your partner are struggling to come up with a name you both like, remember to be open-minded when it comes to their suggestions. You may not like a name at first, but eventually find a liking towards it in a few weeks or months. Try your best not to immediately shut down the names your partner brings to the table and maybe you'll be able to come to a compromise!

2. Brainstorm together: Just like any other thing in parenting, baby names are a collaborative effort as well. Instead of thinking separately, try brainstorming a list of names together. Take the time to sit down and create a group of baby names that you both like, then come back to it later and see which one sticks out.

3. Go through a baby book: When all else fails, head to the bookstore or Internet to find a compiled list of baby names. Go through the article or book together and find names that both of you enjoy. This could either help you two come to a

compromise, or even spark up some names of your own.
