Cupid's Advice:

Everyone is different, and they have different things that they are attracted to. While one person may be all about one thing, another could feel the exact opposite. Here are a few ways you can be attracted to someone:

- 1. Looks:** Although some people may deny it, the first thing we notice about someone is the way they look. You can be drawn in immediately by their eyes, hair or even their style. If you are intrigued by someones style, what they wear or the way

they carry themselves, it is easy to be attracted to the person as a whole. So, if looks are your thing, then flaunt what you got!

2. Intellect: To many people, looks are not everything. They need to feel intellectually stimulated by someone in order to feel attracted to them. If they aren't drawn in right away by the way you look, dazzle them with your incredible mind. Brains over brawn are very true for them and you should not shy away from showing off your nerdy side.

3. Personality: In the end, personality reigns supreme over all other forms of attraction. Having a good personality, can make anyone's feelings about you turn a full 180 and make them like you even more. On the flip side, if they were at first attracted to your looks or your brain, having a poor personality can make them want nothing to do with you.
