This celebrity baby news has us sad about the gossip, because everyone is different! What are some ways to keep gossip from affecting your pregnancy?

Cupid's Advice:

People love to gossip, especially when it is about something they're not used to. When it is about you and your baby though, it can be tough to brush it off. Here a few tip to avoid letting gossip affect your pregnancy:

1. Be honest: Sometimes, when the rumors and gossip go to far, you have to set the record straight. People will talk and talk until they hear what is really going on. If you are comfortable sharing the truth around their gossip, then by all means you should. This will put an end to their talk quickly because now the real facts are out.

2. Stay positive: While you are pregnant, people will tell you that your mood affects your baby. When you are angry they can feel it and when you are stressed then so are they. So, even while they are rumors and gossip surrounding you, you must stay positive. Not only will it help you stay calm and enjoy your pregnancy more, but it will benefit your baby in the long run as well.
