wedding in the works! What are some ways to personalize a marriage proposal?

Cupid's Advice:

Guys or gals, everyone dreams of those milestone moments in our lives. To ensure your proposal is just as unforgettable as this celebrity couple's, make sure you and your partner knows what the other wants. For the beginning of your romantic adventure, here is our [relationship advice](#):

1. Public party or intimate moment: Some people like the spotlight and some want privacy to celebrate. Know in advance how each of you would like to pop the question to truly celebrate this moment together. Remember, this sets the dynamics for the rest of your relationship.

2. Ditch the diamond: Diamonds aren't always a girl's best friend. Be fearless and find a gem, cut, or band that makes a statement unique to you and your significant other. As a symbol of your relationship, the ring serves as an opportunity for bragging about how great you two are together.

3. Switch roles: Today, women are fighters more than ever. We get what we want because we have the freedom to make it happen ourselves. Why limit this to careers? Bend a knee to your man and take control of your relationship the way you want it.
