Dating Advice About Social Media & Racy Photos

[Suzanne K. Oshima, Matchmaker](#): I can completely understand why it makes you feel uncomfortable that your girlfriend posts suggestive photos herself on social media, but I'm guessing that this is something she was doing well before you started dating her. While you can't stop her from posting the racy photos, I recommend just being completely honest with her. Share your feelings with her and let her make her own decision about whether she wants to continue posting the photos. If she doesn't want to risk losing you, I'll bet she'll tone it down a bit, but don't expect her to completely stop posting those types of photos, especially on Halloween!

[Robert Manni, Guy's Guy](#): Millennials have little, if any, filters when it comes to posting to their social media pages. Whether they're on Instagram showing their fitness routines and progress pictures or booty shaking on Snapchat, it's all out there for the world to see. And for that reason, and if you and your lady share a clear understanding about your commitment to each other, I do not see this as a major issue. However, if you're uncomfortable with her sharing too many racy photos, ask her why she does this. Is it driven by self-esteem, competitiveness, or narcissism? Or is she simply comfortable in her own skin and wants to celebrate her good looks while she's young and beautiful? Tell her how you feel – because if you don't the world will be watching her while you

wait. Good luck.
