Cupid's Advice:

Break-ups are almost always difficult to overcome. While it may seem like you will never be able to get over your ex, we promise it's possible. Here are some ways to get that ex off your mind:

1. Write it out: In this digital age, it's easy to want to take your feelings to social media. Don't. Put your phone away, shut down your laptop, grab a pen and piece of paper, and start writing. You'll find it to be very therapeutic!

2. Talk it through: Find a good friend, and ask them to sit down and listen. Make it clear that you just want them to hear you out for now — they can give their personal opinions when/if you are ready for it.

2. Get out of town: Sometimes the best thing you can do for yourself is to get out of town. It removes yourself (temporarily) from the memories, and will help clear your mind.
