**2. Give them a little gift:** Nothing beats a thoughtful gift. The key here is to tailor your present specifically to the accomplishment. Bonus: they'll think of you every time they see it or use it!

**3. Share the moment together:** So maybe your partner isn't one

for parties or sentimental gifts. That's fine – you can still celebrate on your own! Cook them dinner, pop on a movie, and just cherish the moment together. There's nothing wrong with keeping it low key and intimate. At the end of the day, what matters most is the time you spend together.
