This celebrity news has us wondering about on and off relationships. What are some factors to consider before continuing with this type of relationship?

Cupid's Advice:

When in an on and off relationship, you must consider certain things. Cupid has some [dating advice](#):

1. What's the reason for turning down the heat?: Is it something minuscule or something worth a break up, like lack of trust? Sometimes an on and off relationship will be just that, on and off all the time. Make sure neither of you are quick to end it, just to get back together right away without fixing a thing — this will make the break-ups seem less serious and will probably make them occur often.

3. Can your problems be worked through?: Unfortunately, not all problems can be fixed. Sometimes, things just don't work out. Evaluate the problems between you and your significant other, and decide together whether your issues can be mended

or if the relationship is just too broken.
