Cupid's Advice:

Traveling is an amazing adventure to experience with your significant other. Cupid has [love advice](#) to celebrate your relationship:

1. Sharing memories: You're both in a different part of the world together, and that's something you won't forget. Traveling is a perfect way to spend quality time. Although planning a vacation can be stressful, once you make it, it's a fun and exhilarating experience that can definitely bring you closer.

2. Lots of time to talk: You'll get to know each other better! Share your passions, talk about everything: life beyond, the galaxies, morals, history – anything! When on vacation with someone, it's basically like you both live together, therefore you'll have tons of time to talk and share, and see what being together pretty much all the time is like. This can bring you much closer because there are less distractions on vacation than you would have at home (work, friends, family, etc.).

3. Overcoming vacay obstacles: Team work makes the dream work! Although we would love for vacations to be absolutely perfect, most likely they won't be... but they can get pretty close! Since you'll most likely be encountering challenges, you'll both be able to work together as a team, and you'll see each other's strengths and weaknesses, now that is grounds for getting closer.
