3. Green Tea detox: Did you know one cup of green tea has more caffeine than a cup of coffee? The powers of green tea have been the latest rave, but for good reason. Studies have shown a cup of green tea a day helps reduce the risk of certain cancers, improves memory, and reduces belly fat. Maybe it's time to add green tea to the

“apple a day” philosophy!

4. Lemon water: Lemon water is not being taken advantage of. If you’re not starting your morning with a cup of lemon water (hot or cold) then you haven’t felt utterly rejuvenated yet.
