Cupid's Advice:

A pregnancy is certainly a milestone to celebrate! There are plenty of ways to commemorate the start of a joyous and exciting journey, so check out what Cupid suggests.

1. The classic route: If you and your partner are more traditional, then stick to that! There's a lot of classic charm that goes along with a snail-mailed photo, or even from posting a cute photo onto Facebook. This method is a great option for people who have family and friends spread all over. Sharing your celebratory news in a more public channel includes them no matter how near or far they may be!

2. The creative route: Perhaps you want to celebrate your pregnancy with a surprise. There are tons of creative ideas out there – some require more planning than others. One super fun idea is to invite your family and friends over for dinner and have your partner take a group photo. Instead of telling your peeps to “say cheese” you have them say “say I'm pregnant” to capture their candid reactions! There's no limit to what you can do – so go for it!
