## **This celebrity news may not be appreciated by the married boyfriend in question. What are some ways to make sure your love interest is truly unattached?**

### **Cupid's Advice:**

It's not fun to deal with others' emotional baggage. Though your partner may claim to be unattached to their ex, there's always a possibility they still could be. Cupid has some signs to look out for:

**1. They've purged their social media:** This may seem like a small detail, but it speaks volumes. One hand they're just pictures, but it could also indicate that they have some unresolved feelings about their ex. Photos are nostalgic – so your partner might just be nostalgic about their past love.

**2. They talk about them nonstop:** People want to talk about topics they're interested in, people they like, or things that are on their mind. If your partner brings up an ex a little more than what seems normal, it's likely that they are still emotionally attached. Don't overlook it or take it lightly

**3. Your relationship feels forced:** Your relationship should never feel forced or like a chore. You should always feel a natural connection and feel inclined to confide in your significant other. When you feel like your partner is forcing their feelings toward you, it is probably a sign to take a closer look at what's really going on.
