"[She is] enjoying her later months of pregnancy and feeling great," said a source. "It's amazing what a difference the later trimesters feel like compared to the early days, which she really struggled with more than ever this time." This celebrity baby is coming soon, and with less hassle now it seems!

# We're highly anticipating this celebrity baby's entrance to the world. What are some important ways to prepare for the birth of your child?

## Cupid's Advice:

While pregnancy can be a beautiful time, it can also be the opposite of graceful. There are many things you can do, but here are a few:

### 1. Eat smaller portions, but more meals, to relive heartburn:

Instead of eating three big meals three times a day, aim to eat several small ones throughout the day. Also, eat slowly. Overfilling your stomach can cause an acid reflex, resulting in heartburn.
