In this celebrity news, talk about a unique romantic gesture! What are some unique and thoughtful gifts you can give to your significant other?

Cupid's Advice:

While you certainly don't have to gift your significant other a present as grandiose as kangaroos, it's nice to show your love with a romantic gesture every now and then. If you're feeling stumped, Cupid has some ideas for you:

1. Something sentimental: Do you two have a certain date that's important to you? Maybe you have a special spot you always go to, or a fun inside joke. Whatever the case, something sentimental is always appreciated. Perhaps you find the coordinates to the location you first saw your partner and have that stamped on a bracelet. The more specific, the better!

2. Something handmade: Handmade gifts are seriously underrated! Channel your elementary school days and get artsy! A cute example is to find an old mason jar and fill it to the brim with love notes, affirmations, and jokes. You'll be sure to leave a smile on your partner's face every time they pull something out.

3. Something useful: While it may not be the most "romantic"

thing in the book, something useful and practical can be very unique! Perhaps your partner was sharing about how their showerhead wasn't up to par – get them a new one! It shows you listen and you care about their well-being enough to think of something “adult-like.”
