Cupid's Advice:

Moving on from your ex can be tough, especially because they used to be such a big part of your life. For some people, it's hard to get over that quickly. If you are one of those people, Cupid has some tips that can help you to move on from your ex:

1. Cut off contact: First and foremost, make sure that you have cut off all contact from your ex. Delete their number so you don't have the urge to text them. Don't spend time longingly stalking their Instagram page. It makes it so much harder to get over your ex if you're still in contact with them, because the whole point of trying to get over them means you are trying to get them out of your mind.

2. Make peace: Accept what happened. Truly accept it. Even if the relationship ended badly, try to be happy about the good experiences that you got from it. Be thankful that you had this time with this person. Then, accept that this chapter of your life is over and there are more amazing pages to turn in your book that will surprise you with further happiness and love.

3. Love yourself more: The perfect time to better yourself is when you are going through a break-up. Realize that you are amazing and begin to enjoy the time that you get to spend with yourself. Self-forgiveness is also very important to embrace during the time of a break-up. Relationships help us to uncover aspects of ourselves that we may not have shown before. Take time to examine some great personal achievements from this time. Maybe you got past your trust issues, or maybe you fell in love for the first time. Praise yourself for the accomplishments you made and don't forget to love yourself more than you ever loved your ex.
