Cupid’s Advice:

Even after you and your partner have been together for some time, it’s important to keep the magic alive. That way, you’ll have a long and happy marriage. Cupid has some tips to make sure this happens:

- 1. Do things alone:** It’s important to maintain your individual identity. Sometimes, it manages to get lost when you are a couple. Allow each other to pursue your own interests and make

sure to hang out with friends sans your partner. You'll find the alone time to be fulfilling!

2. Keep to yourselves: If you and your partner are going through a rough patch, it's probably smart to limit your venting. When you include too many people into your business, it can lead to people being overly and unnecessarily involved. This also leads to others perceiving your partner negatively. Be sure to balance the negatives with the positives!

3. Be positive: Make sure you and your partner are constantly affirming each other! This is important to a strong relationship because it shows you don't take them for granted.
