There's a new celebrity couple in town! What are some creative ways to announce your new relationship?

Cupid's Advice:

A new relationship is exciting, and although many of us want privacy, we don't want secrecy. In a world where social media is what seems to connect us the most, it is one of the main platforms where people share big news. Cupid has some tips on cute, creative ways to announce your new relationship via social media:

1. PDA post of an awesome date: Showing some PDA during a creative date with your girl or beau is super cute! And it's a creative way to briefly show the type of couple you are, so pick the right "stage" for your photo. Some fun adorable dates to choose from are: going for a romantic swim or boat ride, camping, a picnic, taking a class together (any kind), a getaway or road trip, and DIY project you are both working on. The list is endless! If the pressure of a photo of you both on a date is a little too much for you, you can also try taking an adorable, endearing photo or a stunning one of you both side by side looking your best – talk about couple goals! [Ariana Grande](#) and Mac Miller took the endearing approach, posting a cuddled up photo, while Elon Musk and Amber Heard went for the looking beautiful together.

2. A photo of your other half taken by you: You can also post a random photo you've taken of your lover for a shocking affect, have your followers like "What?!" Imagine, a random photo of someone else popping up on your news feed, to then realize who it was posted by – Cute. Celebrity couple Zachary

Quinto and Miles McMillan took a similar approach when Quinto posted a photo of McMillan staring right at the camera along with a caption on missing him. Adorbs!

3. A discreet photo: Want to tease? Want to just show you're tied down but don't want to share with who just yet? Share your relationship in a teasing manner then, like [Jennifer Lopez](#) and Alex Rodriguez for example. Jlo shared a photo on Instagram of the couples' sneakers while rumors of them dating were floating around – discreet huh? Other ways to do it are to snap photos of your hands or a photo taken of your back sides, let people guess who you're with, if you're into it.
