### **Who to take:**

Since this is a romance drama, you can either go with your partner or friends. Not all guys will dig this type of movie because they'd be in for an emotional ride, but it's worth a try!

### **Cupid's Advice:**

One of the answers you will always get for a question on facing tough times with your partners is to communicate. Cupid has some advice on how to communicate effectively, along with other tips, in order to take on what's coming together:

**1. Listen to understand, not to respond:** Many times we hear and don't listen because we are thinking about what we want to say next or what we want to say in response to what the person is saying. Communication is important, and listening properly is part of it. We must be open minded, empathetic, and listen intently to try to understand our partner's feelings, concerns, and opinions. Knowing where their mind is at helps put you both on the same page. And, once you're on the same page, you are a step closer to conquering obstacles and facing a big decision together.

**2. Create a pros and cons list:** Create one together, or create two lists separately and then discuss them after. Writing stuff down can really help you see things for what they really are. A pros and cons list can help you organize your thoughts to see what outweighs what. Does the good outweigh the bad or vice versa? Pros and cons are things most of us consider when

making a difficult decision, so it would not be any different with a choice that needs to be made between you and your lover. Creating a list may sound easy, but it's not that simple. Why, you ask? Because not every pro and con will weigh the same or hold the same value. That's when it's time to put some real thought into it and begin your calculations.

**3. Maintain harmony:** Making a difficult choice can take a toll on people. It can be a very stressful thing. This is why you and your partner need to make sure that you both keep the peace. Be aware of your tones and attitudes. It's easier said than done, but very possible. The goal is for you both to come to a decision together, fighting and pinning yourselves against one another won't help that. So, remember: Take a breath and stay calm.
