Well, this celebrity baby news wasn't just a rumor! What are some reasons to keep your baby news to yourself for a while?

Cupid's Advice:

There are a few reasons that you may want to keep your pregnancy under wraps for a while, just like Kylie Jenner and many others. Cupid has some reasons as to why:

1. You have a stressful pregnancy: You just don't need nor want the stress. If you have a sensitive pregnancy where your health and the one of your baby depends on you taking it easy, then hiding your pregnancy could be an option for you. If we feel like outside factors can cause us stress during a critical time, then as mothers-to be we must cut out those

factors. Sometimes people can become over bearing when it comes to receiving baby news – so if you're around those kind of peeps, you know what it is.

2. You're superstitious and don't want to jinx it: This may not be logical to everyone. However, if it's logical to the mother-to be, then that's enough – it's her body and her baby. Sometimes certain people find reassurance and comfort in not telling people right away due to fear of a miscarriage or something going wrong. At the end of the day, as long as the baby news is delivered later rather than never, it should be enough.

3. Judgy peers: Whether these peers are at school or work, or are your neighbors, friends, or fam, sometimes they're just not the easiest people to deal with. At times, we may be surrounded by people who judge or gossip, and that can lead to you wanting to keep your pregnancy low-key. During pregnancy, drama should be avoided, so there's no shame in doing what you have to do.
