Should you go out right after a breakup?

Cupid's Advice:

Every breakup is different. Therefore, what works as the remedy for one breakup may not work for another. However, you are doing yourself a disservice if you don't give love another chance:

- 1. Try going out in a group:** When you go on a group date, there's a lot less pressure. This is perfect if you are still getting over a breakup.
- 2. Go out with someone in the same situation:** It may be a good idea to date someone who is also getting over a breakup. That way you both understand what each other is going through.
- 3. Get to know yourself:** After a split, it may be time to take up a hobby or do something you didn't have the time to do before.
