Cupid's Advice:

A nice getaway, even if it is just for a day, is always beneficial to help keep your relationship fun and exciting. If you don't have the time or money for a romantic getaway, there are still many options of things to do in your relationship that will help keep your fiery love alive:

1. Relive activities from the beginning: How did you and your partner meet? At a bowling alley, in high school, at a bar? Wherever it is, take a day to go back to this place or even just discuss with your partner how amazing it felt to fall in love with them for the first time. Reminding yourself of the reasons you fell in love with your partner in the first place will definitely help to add kindling to the fire.

2. Surprise each other: Come home from work with a package of your partner's favorite candy! Do little surprising things that will help to remind your partner how much you care for them. You can even do something as simple as leaving a small, sweet note for them on their desk or in their jacket pocket. What a nice surprise!

Although, try to refrain from that for both the well-being of yourself and your partner. By keeping yourself looking good and healthy, this will transfer into you having a good and healthy attitude about your relationship.
