# In this celebrity baby news, Jordin's niece is super excited to meet her cousin! What are some ways to introduce your baby to family and friends?

## Cupid's Advice:

There are many different ways that you can introduce your little bundle of joy to family and friends – the choice is yours. Cupid has some tips:

**1. Social media:** Post a cute photo on Facebook, Instagram, etc. Posting a precious photo is one of the simplest ways. You can literally share the photo with so many people without having all the germ fears first-time parents go through. If you don't like the idea of social media, send it through a photo message individually or in a group chat.

**2. Throw a small get-together:** Hosting a nice intimate gathering at your place is a cute and fun way to introduce your baby to your friends and fam. It can also relax the new mommy. Being around loved ones can be good for you and your baby, as long as you know and let everyone know about how long the meetup should last. Let everyone rave about your cute little one, but know how much you can handle in a time of big transition and probably one of the most tired times of your life.

**3. On a one at a time basis:** Sometimes, some moms prefer to

keep their kids more sheltered than usual in the beginning. That's fine. Have friends and family come over one by one, in pairs, or in small groups to see your little one. Sometimes babies do get overstimulated, which is why this option makes sense.
