Cupid's Advice:

Whether or not to get back with an ex is an important decision. It isn't always an easy one either. Cupid has some things to consider before making the choice:

1. Have you both moved on from the reason you both broke up?:

Think about the reason why you both broke up in the first place. Was it for a good reason or was it circumstantial? Then, also think about whether you both have forgiven each other completely for past mistakes. If you have, then that can be a good sign – if not, then not so much. If you feel like you haven't forgiven your ex for something, then that problem will probably constantly arise during your reconciled relationship.

2. Do you see a future with your ex?: Why go back to an ex if you don't think it's going to be serious and no good future ahead? Think about this thoroughly – sometimes we see a future with someone, but that future comes with unnecessary obstacles and negativity. If this is the case, then it may be a sign

that your ex is meant to stay an ex. Think about this while spending some time apart – it's something big to ponder.

3. What are reasons to get back together and not get back together?: Pro and con lists are good ones to make. Be fair and think about why you should get back together with your ex and why you shouldn't. Then, weigh it all. Certain things weigh more than others, so be honest and just with yourself when considering all the information. Making a list with a friend can help, as long as that friend isn't necessarily biased.
