Cupid's Advice:

The universe works in mysterious ways and sometimes two important people will come into your life all at once. It can be difficult to decide who you truly want to be with! Fortunately, Cupid has some tips on how to decide who to date:

1. Make a list: Yes, the old-fashioned pros and cons list. Sit down and deeply ponder what each of these people have to offer. How do they make you feel? Who do you get more excited to see? Do you have similar plans for the future? Take time to really think about it and you can even try to spend two consecutive days with each of them to explore the best qualities in each.

2. Stick to your instincts: Who do you feel more natural with? The best choice is the person who you can sit in silence with and still feel comfortable because your relationship just comes naturally. Be aware of these innate aspects. Also, try not to turn to multiple people for their opinions. Only you can determine what you truly desire. Listen to your heart.

3. Don't rush: Hopefully there is not anything binding you to make a decision right away. Things take time and as long as you are not tampering with anyone's trust, it is okay to keep going as you are until you realize who is truly the best fit for you.
