How do you keep things civil between your ex and new partner?

Cupid's Advice:

There was once a time you shared your life with your now-ex. It may now be over, but keeping things civil between your ex and your new partner is crucial. Cupid offers a few tips to do just that:

1. Don't cling to the past: It all starts with you. Don't continuously talk about your past relationship. Your mate will not appreciate it, and his or her dislike for your ex will deepen.

2. Reassurance: Reassure your current partner that things are completely over with your ex, so he or she won't feel threatened.

3. Spend time together: It might seem awkward at first, but attend an event with your partner and invite your ex and his or her new mate (if there is one) to be there, too.
