We're not sure if a celebrity wedding has happened or not in this case. What are some reasons to keep your wedding under wraps?

Cupid's Advice:

Some people are more private than others, and it may not make sense to open up your marriage to public scrutiny. Cupid has some reasons to keep it quiet:

1. You just don't want people in your biz: Some people are really private about their lives and want precious moments like these to be kept within closed doors at first, whether they're famous or not. So if you're on the end of not receiving wedding news, don't take offense. Some people are just real private about their business! And if you're the type of person that wants to keep things on the down-low, have no shame, it's your big day.

2. You're shy or an introvert: Shy and introverted people sometimes cannot handle being in a room full of people being the center of attention – it's too much for them. If this is the case, you may not want a lot of attention, so you would keep your wedding quiet for a bit. So yeah, it makes sense for you to keep your wedding quiet.

3. You're eloping: Secrecy is sometimes romantic? Sometimes we do find ourselves in a situation we never thought we would be in. Maybe the fam doesn't approve? Maybe you just can't wait

to get married? Or maybe you're trying to get out of testifying in court against your lover like Blair did with Chuck in Gossip Girl! *Winks*
